

Captain& Player of the Year All-Conference Northern Lights League Soccer 2012
Tallen Boda – Hannhville

It is an honor to have Hannahville Sophomore Tallen Boda be selected as the Soccer Player of the Year as well as the Captain of the 1st team All-Conference in the Northern Lights League Conference. Tallen has grown a lot as a student, athlete and person from his first year of soccer. As coaches, we saw the potential that Tallen had to be a very good player in this league the first year we coached him. Tallen has matured as a player and a leader on and off the field. He plays the game with dignity and respect for not only the game but also to the officials, coaches, and his opponents. Tallen is a hard worker and never gives up on a play or his teammates. It has been with great pleasure to have the opportunity to coach Tallen and to watch him mature and use his abilities to the best of their potential.
