

Red Cross Blood Drive July 30th

The annual Rita Gillespie Memorial Blood Drive will take place on July 30th from 12:30 to 6:15 PM at the Gregg Fellowship Hall. **This year the Red Cross is sending two extra nurses over to speed the donation process and enable us to accommodate all who make appointments.** If you would like to help by baking cookies, being a greeter, a truck loader, or a canteen staffer please call Connie Wojan at 448-2379 or Connie Boyle at 448-2491. We will begin calls for donor appointments after the 4th of July.

Picture ID or Red Cross Blood card are now required in order to donate. Also please drink lots of water and eat a good lunch before your donation appointment.

Both new and repeat donors are needed to make our goal. Please make time to save up to 3 lives with your donation. The life you save could be a child's, a brother, sister, mother or father. Give something of the highest value that costs no money: the Gift of Life.
