

## A Message from Beaver Island Christian Church

At our board meeting on Monday, we made the difficult decision not to host a Community Thanksgiving Dinner in 2021. Although Beaver Island is relatively COVID-free, uncertainty about what impact visitors might have on our population leads us to feel that it would be risky to gather together this year. We are hopeful that November 2022 will allow us to celebrate Thanksgiving together in the tradition we have enjoyed for many years.

Beaver Island Christian Church is joining with other Island churches to offer you the gift of a Thanksgiving dinner to enjoy in your home with your family and/or friends. We will provide the fixings for a traditional Thanksgiving dinner: turkey, stuffing mix, potatoes, sweet potatoes, vegetable, rolls, and frozen pumpkin pie, distributing these boxes on Monday, November 22. You will be given a time-frame for pick-up.

**RESERVATIONS ARE ABSOLUTELY A MUST!!!!**

**TEXT** Judi Meister (231-350-1154). We **MUST HAVE** your reply by Sunday, November 14. We understand this isn't a lot of time, but the store needs to order for a November 17 delivery.

When you make your reservations please indicate:

The number of people in your family group

Whether you prefer dark meat or white meat or a combination of both

Looking forward to hearing from you

**HAPPY THANKSGIVING**

P.S.—to make things perfectly clear—You will be picking up a box of supplies to make a meal; you will be making the meal!!
