**Call for Artists: Logo Design for Blissfest Music Festival 2013**

The Blissfest Music Organization invites artists to submit designs to be considered for the 33rd annual Blissfest Music Festival logo. Submissions must be original artwork and of a size easily scalable for a variety of uses. All formats are acceptable, however, we do prefer digital artwork if at all possible and ideally in a vectored format. The word "Blissfest" must be prominent in the design as well as the year "2013" and/or "33rd Annual". We are looking for designs that are distinctive and imaginative that project the Blissfest theme. The design can include imagery of instruments, musicians and dancers as well as the essence of an outdoor music camp out. Keep in mind that the Blissfest features folk music as well as innovative acoustic and roots music with a mission of cultural enrichment, heritage and diversity. Some examples of past Blissfest logos can be found on our website at [blissfest.org](http://blissfest.org).

To enter, email your design (or designs) to [jim@blissfest.org](mailto:jim@blissfest.org), or mail to Blissfest, 625 Connable Ave., Petoskey, MI 49770. Entries must be received by January 15, 2013. The winner will be notified by January 30, 2013. Design submissions will not be returned. If your work is selected, we will contact you to secure the original and finalize details. The winning artwork will become the property of Blissfest Music Organization and will be used on all promotional material for the 2013 Festival to be held July 12-14, 2013. The winning artist will receive \$250 cash, a weekend pass to the festival and a t-shirt. Five runner up entries will each receive one weekend pass to the Festival. Artists who have submitted entries in the past are welcome to enter again. We have all previous entries on file and do reconsider them each year.
